Spel

The diagram shows a soccer field layout. At the top, there is a table with two columns: 'Spel' (Game) and 'Spelers' (Players). Below the table is a large empty rectangular box for the game plan. The soccer field itself is a rectangle with a center circle, a horizontal midline, and two goal areas at the ends. Each goal area contains a goalpost and a goalkeeper. The field is oriented vertically, with the goals at the top and bottom.
